RE: Maline Creek Site, St. Louis, MO.
Freedom of Information Act Request 889-96 (from
Jacqueline Stegmann with Cuyler Burk)

In consultation with Don Hamera, on-scene coordinator, and
Dave Hoefer, Office of Regional Counsel, the following documents
from the above site file were withheld and not released as
predecisional in response to this FOIA.

- Don Hamera's field notes in his log book from 10/21/92 to
5/16/95
- a draft Action Memorandum on another site: Sunbelt Site in
Dallas, Texas
- Ecology and Environments' (an EPA contractor) April 1992
draft Site Assessment
- a draft Action Memorandum on the Maline Creek Asbestos Site
- a November 1992 draft Removal Assessment on this site
- the Enforcement Strategy attachment to an Action Memorandum
on another site: West Bank in Nashua, NH

Dave Crawford
Superfund Site Assessment Manager

*Del → Pat Pennington Is this FOIA closed? Can we
return site file? 10/15/96*

*Pat Pennington to Dave Crawford FOIA closed sent
will 10/15/96*
